## **FUEL UP at Perry Harrison School**

## 2020-2021 Application Form for Food Backpack Program

If you are considering or qualify for the Free and Reduced Meals program, we encourage you to apply for Fuel Up. The Fuel Up food program meets the nutritional needs of students during their time away from school. Each weekend bag will contain 2 breakfast items, 2 lunch items, 3 dinners, 2 snacks and 4 pieces of produce. The food is a combination of shelf stable or canned meals and vegetables, fresh fruit, and sometimes potatoes and bread. Bags are packed by volunteers and discreetly handed out to teachers/classrooms for the students to take home on Thursday afternoons. Reusable bags and containers need to be returned on Mondays.
